Eligibility for Specialized Service is a transportation decision, not a medical one. Determinations are based not on the presence of a disability, but on the effect the disability has on an individual's capacity to use fixed route bus service. Perceived inconvenience, real inconveniences or simply a desire not to use accessible fixed route bus service, are not criteria for eligibility.

How to get certified to use Specialized Service

- Obtain application from ridemetrobust.com or by calling 251.1499, ext. 100. Specific details about the certification process are provided in the application.
- After your application has been received, an in-person interview will be scheduled. The interview may include a physical and/or cognitive assessment.
- All applicants determined to be eligible for Specialized Service will be certified for three years. After three years, recertification is required to continue using the service.
