WHAT IS TRAVEL TRAINING?

Travel Training teaches seniors and people with disabilities how to use the fixed route bus system. The training is free and is customized to meet each individual's needs.

GETTING STARTED IS EASY

Your training session is as unique as you are. The Travel Trainer will meet you at your home, conduct a travel needs assessment and develop a personalized plan.

The Travel Trainer will accompany you throughout your entire travel training experience. Best of all, the training is self-paced — take all the time you need and ask all the questions you want.

WHAT YOU WILL LEARN

Travel Training follows an easy, step-by-step learning process. You'll learn how to:

- Read bus maps and schedules
- Plan your trip and ride your necessary routes
- Recognize bus stops, landmarks and route names
- Pay fares and purchase passes
- Safely cross the street and other important pedestrian skills
- Prepare for the “what ifs” of bus riding, such as “What if I miss the bus?” “What if I forget my money?” “What if I get off at the wrong stop?”
- Ride the bus with confidence

5 REASONS TO LEAVE THE DRIVING TO US

- 1 You can enjoy the freedom of traveling safely throughout the St. Cloud area, without the stress of driving in traffic, finding a parking space or scheduling a ride.
- 2 Seniors and people with disabilities enjoy priority seating.
- 3 Metro Bus is accessible to everyone. Lifts or ramps, as well as two secured wheelchair spaces are available for those using mobility aids.
- 4 It's affordable. Public Transportation costs less than owning a car and there are a variety of passes to meet your needs.
- 5 Expanded travel options increase your social life and ability to meet new people.
