

DIAL-A-RIDE SERVICE APPLICATION INSTRUCTIONS

Metro Bus Dial-A-Ride service is available for individuals with disabilities who are unable to ride Fixed Route* buses. This is a shared ride, door-through-door driver-assisted service**, which requires advance reservations. Users must complete an eligibility process before using the service. This process starts with completing the enclosed application.

Dial-a-Ride is intended only for those trips that the person cannot make on Fixed Route buses. This application is intended to determine when and under what circumstances the applicant can use Metro Bus Fixed Route buses and when Dial-a-Ride is required.

Please read instructions carefully before completing the enclosed application.

If you have questions about Dial-a-Ride Eligibility, please call 320.529.4495. If you need help filling out the application form, the interviewer will assist you at the interview.

Accessible formats are available upon request.

Please note that eligibility for Dial-a-Ride is a transportation decision, not a medical one.

Determinations are based upon a person's functional ability to use accessible Fixed Route buses. Eligibility determinations are not solely based on disability, age or medical diagnosis. Perceived inconvenience, real inconveniences or simply a desire not to use accessible Fixed Route bus service are not criteria for eligibility.

*Fixed Route buses are the large transit buses operated on set routes by Metro Bus.

**Door-through-door driver-assisted service means drivers will assist all passengers through the first door of a building [first door definition is "giving inside access to the building"] at both their point of origin and their destination.

HOW TO APPLY

To help us accurately determine your eligibility for Dial-a-Ride, please fill out the enclosed application form as completely and thoroughly as possible.

Applications that are not complete or clearly written will be returned, which will delay the eligibility determination process.

Once the application is received, you will be contacted to set up an in-person interview. If you need transportation to the interview, let us know when we call. Your ride will be provided free of charge.

WHAT WILL HAPPEN AT THE INTERVIEW?

1. We will review the application form with you and will ask you additional questions about your ability to use Fixed Route buses.
2. We may ask you to participate in a functional assessment so we can further evaluate your travel abilities and limitations. The assessments will be at the same location as the interview. Please come dressed in appropriate attire for a possible outdoor functional assessment.

WHEN AND HOW WILL YOU FIND OUT IF YOU ARE ELIGIBLE?

You will be notified of your eligibility by letter, either in person on the day of your interview or by mail following the interview. This decision will be made within 21 days of the date we receive your application. If a decision is not made in 21 days, we will provide you with Dial-a-Ride until a final decision is made.

If you are determined eligible for Dial-a-Ride, you will be given a Dial-a-Ride Service Guide with information about the service. If it is determined that you are able to use Fixed Route buses for some or all of your trips, you will be notified in writing of the exact reasons for this decision and information will be provided about how to appeal our decision.
